Motherhood is an asset

MOtherhood Valorisation and Empowerment for professional
development – Upskilling Pathways / MOVE-UP

For stakeholders in Adult learning and education, employment and social services

Join the MOVE-UP Alliance - What this project offers you in practice?

- **A good insight on good practices to outreach and engage with women who wish to re-join education** and the job market methods for assessing and validating prior learning related to Personal, Social and Learning to learn competence (PSL) and a new adapted method to use in your own activity.
- An **overview of methodologies for tailored learning and enhancement of PSL.**
- Joining the project implementation activities and **offer them to your learners.**
- Free participation in national **Peer Learning Activities.**
- Free **participation in national/international webinars**, where you can also participate as a speaker.

For stakeholders in Adult learning and education, employment and social services

Join the MOVE-UP Alliance – Benefits for you

- **Gain new knowledge** on how to better engage with your audience and how to support them to participate in learning activities and to (re)join the labour market.
- **Gain visibility** for your organisation and network.
- **Adopt a more gender equal approach** in your training activities, thus actively contrast gender stereotypes and discriminations in the labour market.
- **Ensure that your good practices and experience is leveraged** and exploited by others and more broadly, at regional, national and international level.
- **Ensure more sustainability for your own projects and activities.**
- **Contribute to new insight to support policy review** and policy feedback cycle from a regional, national and European perspective.
